

Application for MoDOT Technician Certification Program

These courses are limited to a minimum and maximum enrollment.
Registration is based on course availability, so it is recommended you apply as early as possible for these courses. The Materials Qualification Engineer reserve the right to reschedule or cancel under-enrolled courses. MoDOT reserves the right to deny a application, if applicant has no intent to perform acceptance testing for MoDOT projects.

Please read the following statement.

I understand that certification carried inherent rights and responsibilities as outlined in the Technician Certification Policy.
Any attempts of fraud, abuse or willful negligence may be cause for de-certification.

I have read, understand and accept these responsibilities.

Your signature also allows Linn State Technical College to release any or all of the above information to MoDOT.
